

Knox Security Rapid Access

Knox Box Program

Eastside Fire & Rescue participates in a national program that provides firefighters with immediate access to your building in an event of fire or other fire related emergency when building is locked.

Primarily used by commercial occupancies, it is also available for residential structures as well. Eastside Fire & Rescue has a unique key assigned to our agency only. This system is tightly controlled by Eastside Fire & Rescue and the Knox Corporation

Knox Box

Important Reasons to Install a KNOX-BOX

- Eliminate needless forced entry damage that may not be covered by your insurance deductible.
- Assure immediate building entry by firefighters without delay or waiting for building keys. Satisfy local fire codes and emergency access ordinances. (Required for buildings with Fire Alarm & Sprinkler Systems).
- Save time and aggravation by not having to drive to your building at 2:00 a.m. for a false alarm.
- Feel secure about emergency coverage when your building is left unattended. The fire department holds the only key to the KNOX-BOX.
- Protect your property from thousands of dollars in damage with this one time, low cost investment.
- Depend on the highest lock box security available with attack resistant, UL tested reliability.

To purchase Knox products, simply call Eastside Fire & Rescue at 425-313-3200. We can assist you in obtaining Knox boxes, gate switches and padlocks. To view Knox Box products, visit their web site at Knoxbox.com.
