Schedule a Construction Inspection

Advisory - ** Due to unforeseen staffing challenges, we are trying our best to schedule your inspection requests as quickly as possible. We understand the urgency regarding your projects and are instituting measures to meet the inspection requests in a timely manner. Thank you for your patience during this period. **

We will respond to your request, in the order it was received, and provide email confirmation with the date / time your inspection has been scheduled. Please allow up to 48 hours for your request to be processed. We will confirm the inspection details as soon as possible.

Note: Inspections are conducted Monday through Thursday only. Please make sure you have the permit and approved plans on site (paper or electronic).

Before you schedule your inspection, be sure you meet our inspection requirements.

Inspection requirements:
